

Galen College of Nursing

Nurse Educators

Galen College of Nursing has a great opportunity for a full-time and part-time nursing faculty to teach at its Louisville, Kentucky campus. Both clinical and theory faculty members are needed for the LPN and RN Programs.

Qualifications:

BSN required MSN preferred

2 years RN experience

KY RN Licensure required

Teaching experience at the college level is preferable

Galen College of Nursing is a private educational institution focused solely on quality nursing education. With campuses in Louisville, KY, Cincinnati, OH, St. Petersburg, FL, and San Antonio, TX, Galen has graduated over 4,000 nurses since it was founded in 1990. Currently, Galen is one of the largest private nursing colleges in the United States.
