

**Computer Skills Educator
Galen College of Nursing
San Antonio, TX**

Galen College of Nursing has a great opportunity for a part-time faculty member at its San Antonio, TX campus to teach Computer Use for Health Professionals. The ideal candidate will hold a master's degree with at least 18 hours in their master's program dedicated to computer education.

Galen, which also has campuses in Florida, Kentucky, and Ohio offers a truly innovative environment dedicated to the education of new nurses. Unlike other institutions, Galen is focused *solely* on nursing education. Since 1990, Galen has graduated more than 7,000 and is one of the largest private nursing Colleges in the United States.

Qualified candidates interested in teaching must have a Masters in computers or related field with at least one year of teaching experience. Teaching experience at the college level is preferable. Experience with nursing informatics a plus.
